4. **Waiver of Liability.** Both parties agree to diligently try to settle Mare. If Mare does not settle, Mare Owner will hold Stallion Owner harmless from any loss or damage. Neither Stallion Owner nor Stallion Station are liable for any injury, sickness, disease, or death of Mare or her offspring arising from the exercise of the breeding privileges granted herein. Neither is Mare Owner liable for any injury, sickness, disease or death of Stallion arising from the exercise of the breeding privileges granted herein. Requisite insurance is the responsibility of the respective parties.
5. **Live Foal Guarantee (“LFG”).** Stallion Owner provides a limited guarantee that a single “Live Foal” will result from the breeding privilege granted herein. The term “Live Foal” means that a foal stands alone, nurses, and lives for twenty-four (24) hours. If a Live Foal does not result from the breeding, Mare Owner will be entitled to rebreed Mare to Stallion in the 2011 breeding season only. The LFG will become void if the following conditions are not met.
 - (a) Mare Owner must notify Stallion Owner within 48 hours of foaling that the mare did not produce a live foal; and
 - (b) Within fourteen (14) days after Mare Owner’s notice to Stallion Owner, the Mare Owner certifies to Stallion Owner that the birth was properly attended, and also provides proof of proper administration of Pneumabort-K® or Prodigy® vaccine in the 5th, 7th and 9th months of gestation and also produces a statement from a licensed veterinarian stating details explaining the failure of the mare to produce a live foal.
6. **Death, or Sale of Stallion.** If Stallion dies or becomes incapable of servicing mares for any reason, or if stallion is sold and Mare has not achieved a pregnancy in 2010, this Agreement will become null and voided and Stallion Owner may choose to refund one half the Stallion Service Fee less any fees incurred to that date, or provide the service of another stallion, or fulfill this breeding obligation through the use of frozen semen, at Stallion Owner’s sole discretion, and the parties to this Agreement will be released from any further liability. In the event that frozen semen is made available, additional fees will be incurred.
7. **Death of Mare.** If Mare dies or becomes unfit to breed prior to breeding, Mare Owner shall be required to breed a substitute Mare to Stallion. Substitute Mare must be owned by or leased to Mare Owner and approved by Stallion Owner. No refunds shall be given.

A breeding certificate shall be issued only for mare appearing on this Agreement or a substitute approved in writing by Stallion Owner.
9. **Multiple Foals.** Mare will will not undergo embryo transfer. Should more than one embryo result from a breeding, Mare Owner must pay an additional Stallion Service fee for each additional embryo within ninety (90) days of the additional breeding dates(s) in order to receive a breeding certificate for additional foals. If a mare carries and delivers multiple foals, an additional Stallion Service fee will be due within 30 days of both foals standing and nursing.
10. **Miscellaneous Provision.**
 - (a) The Mare will not be bred to the Stallion without a fully signed copy of this Agreement received and approved by Stallion Owner or Agent;
